

User Creation and Editing

Before getting access to the **Fixture Share** a login is needed.

It is free to register.

Register New User

The address for the fixture share is: <http://fixtureshare.malighting.com>

The top right side has green input fields to enter the username and password. Below this is a gray **Register** button.

1. Click **Register** to start the registration process. A new page opens.

A screenshot of a registration form on a dark background. The form contains several input fields with placeholder text: 'Enter your username', 'Enter password', 'Repeat your password', 'Enter your mail', 'Repeat your mail', and 'About you...'. To the right of the first two fields are instructions: 'Username must contain at least 5 characters.' and 'Password must contain at least 7 characters'. Below the email fields is a captcha section with a distorted image of the text 'g d k f n d' and a 'Refresh' button. At the bottom are 'Continue' and 'Back' buttons.

New User

2. Write the desired user name. It needs to have at least 5 characters.
3. Write the desired password - minimum 7 characters - in both password fields.

4. Write a valid email address in both of the email fields.
5. Optionally add some info in the info field.
6. Write the CAPTCHA code.
7. Click **Continue** - The **Terms of use** appears and the **Privacy Policy** is linked.
8. Scroll down and read the terms.
9. Click the checkboxes that confirm that you have read, understood and that you agree to the **Terms of Use** and the **Privacy Policy**.
10. Click **Proceed**.

If the CAPTCHA is not correct then an error pop-up appears - click **OK** to continue and repeat the steps starting with number 6.

If the CAPTCHA is correct then an info pop-up appears asking you to check your email for a confirmation. The email contains a validation link that needs to be clicked within 7 days or else you need to register again.

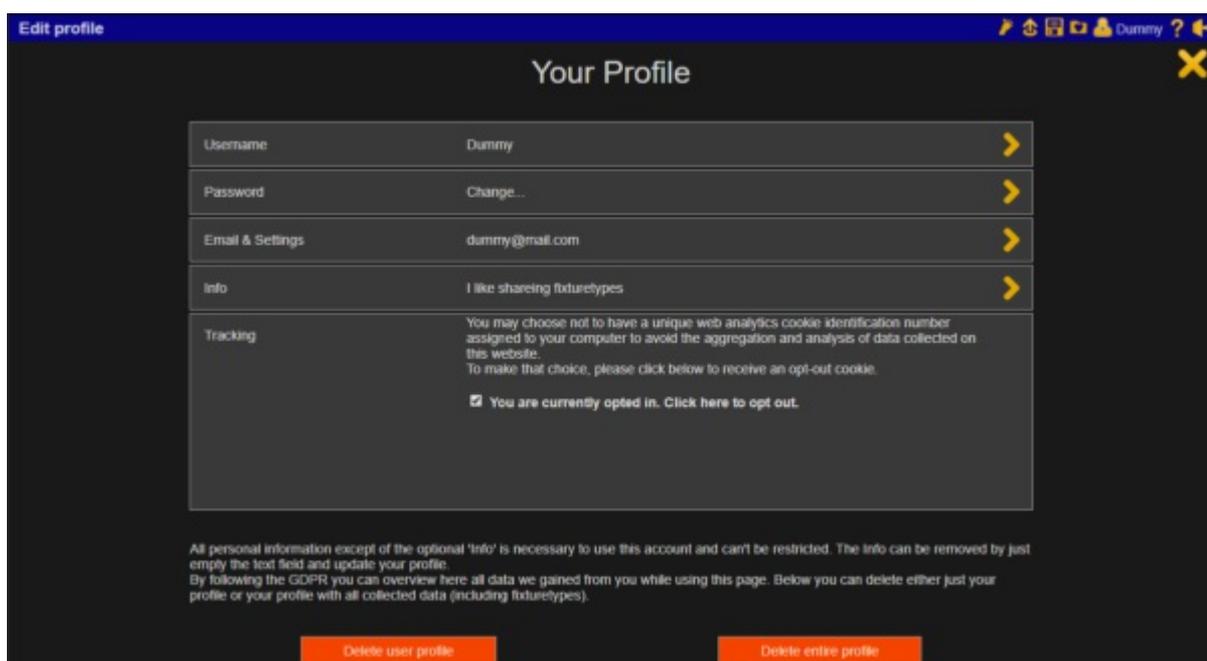

11. Click the link in the email - this redirects to the Login page and you can now [login](#) with the registered user.

Edit User Profile

When logged in to the fixture share it is possible to edit the username, password, email, and information granted during the registration.

Click  in the title bar.

New page **Your Profile** opens.

The screenshot shows a web interface titled "Your Profile" with a blue header. The main content area is a list of profile fields, each with a right-pointing chevron icon:

| | |
|------------------|--|
| Username | Dummy |
| Password | Change... |
| Email & Settings | dummy@mail.com |
| Info | I like sharing fixturetypes |
| Tracking | You may choose not to have a unique web analytics cookie identification number assigned to your computer to avoid the aggregation and analysis of data collected on this website. To make that choice, please click below to receive an opt-out cookie. <input checked="" type="checkbox"/> You are currently opted in. Click here to opt out. |

At the bottom, there is a paragraph of text: "All personal information except of the optional 'Info' is necessary to use this account and can't be restricted. The info can be removed by just empty the text field and update your profile. By following the GDPR you can overview here all data we gained from you while using this page. Below you can delete either just your profile or your profile with all collected data (including fixturetypes)." Below this text are two orange buttons: "Delete user profile" and "Delete entire profile".

Edit profile

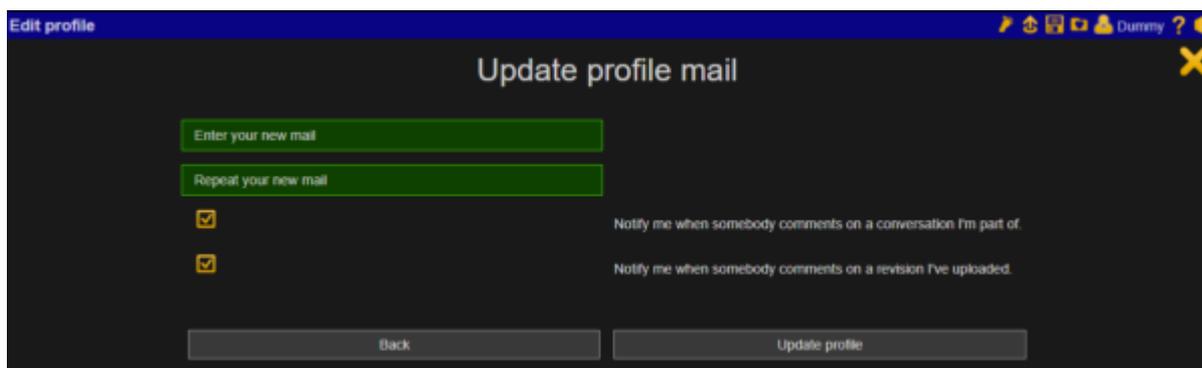

Each of the four elements in the gray box can be edited.

- To open the corresponding page and edit the input, click an element.
- To go back to the previous page without saving any changes, click **Back**.
- To store the new values, click **Update profile**.

To exit **Your Profile** page, click  in the upper right corner.

- To allow tracking, check the box.
- To delete the user profile, click **Delete user profile**.
- To delete the complete profile, click **Delete entire profile**.
- To update the email settings, click the element **Email & Settings**.

Update profile mail opens.

The screenshot shows a web interface titled 'Update profile mail'. At the top left, it says 'Edit profile'. At the top right, there are navigation icons and the name 'Dummy'. The main content area has a title 'Update profile mail' and a yellow 'X' icon in the top right corner. Below the title, there are two input fields: 'Enter your new mail' and 'Repeat your new mail'. Underneath these fields are two checkboxes, both of which are checked. To the right of the checkboxes are two lines of text: 'Notify me when somebody comments on a conversation I'm part of.' and 'Notify me when somebody comments on a revision I've uploaded.'. At the bottom of the form, there are two buttons: 'Back' and 'Update profile'.

Update email settings

To send notifications regarding conversations or revisions, check the boxes.

The system checks for new comments every hour.
