

About The Manual

The **grandMA3 software** is being developed by

MA Lighting Technology GmbH

Dachdeckerstraße 16
97297 Waldbüttelbrunn, Germany

These help pages are included in every software installer package and are automatically loaded into the software (exception: Nodes and Processing Units).

To access and read the help pages, press **Help** + **Please**. The help pop-up opens on the main screen.

To access the help pages via the command line, use one of the options:

- Press **Help**
- Type **Help**
- Type the shortcut **H**

To jump directly into a special help topic, use the context-sensitive help:

-Press and hold **Help** and tap the desired user interface element (UI element) to open the corresponding help topic.

-Tap **?** in the control bar and tap a UI element to open the corresponding help topic.

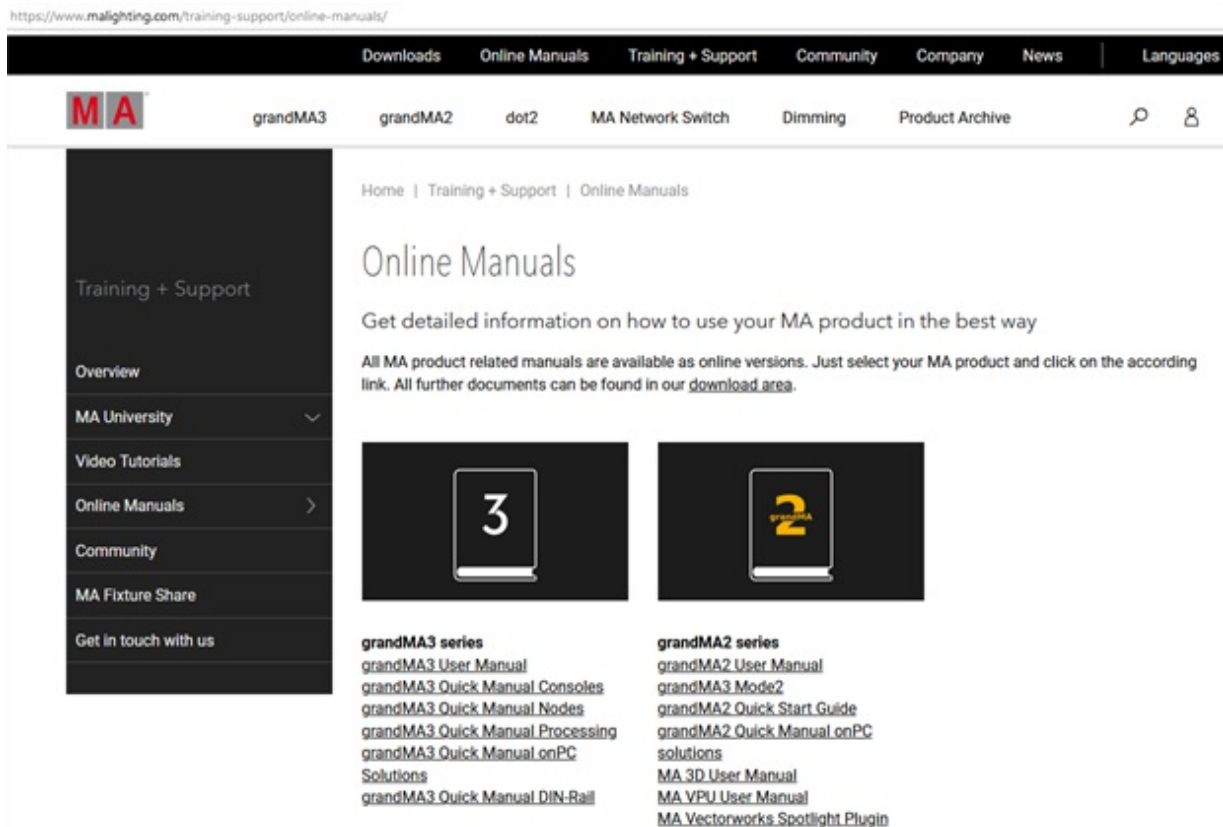

Please note that the help topics included in the software represent the status and volume of the help pages at release date.

The help system is constantly being updated and extended.

Every change in every topic is directly published on the following website:

<https://www.malighting.com/training-support/online-manuals>

Make sure that you regularly visit the online help to read the latest version of the help pages.

Online manuals

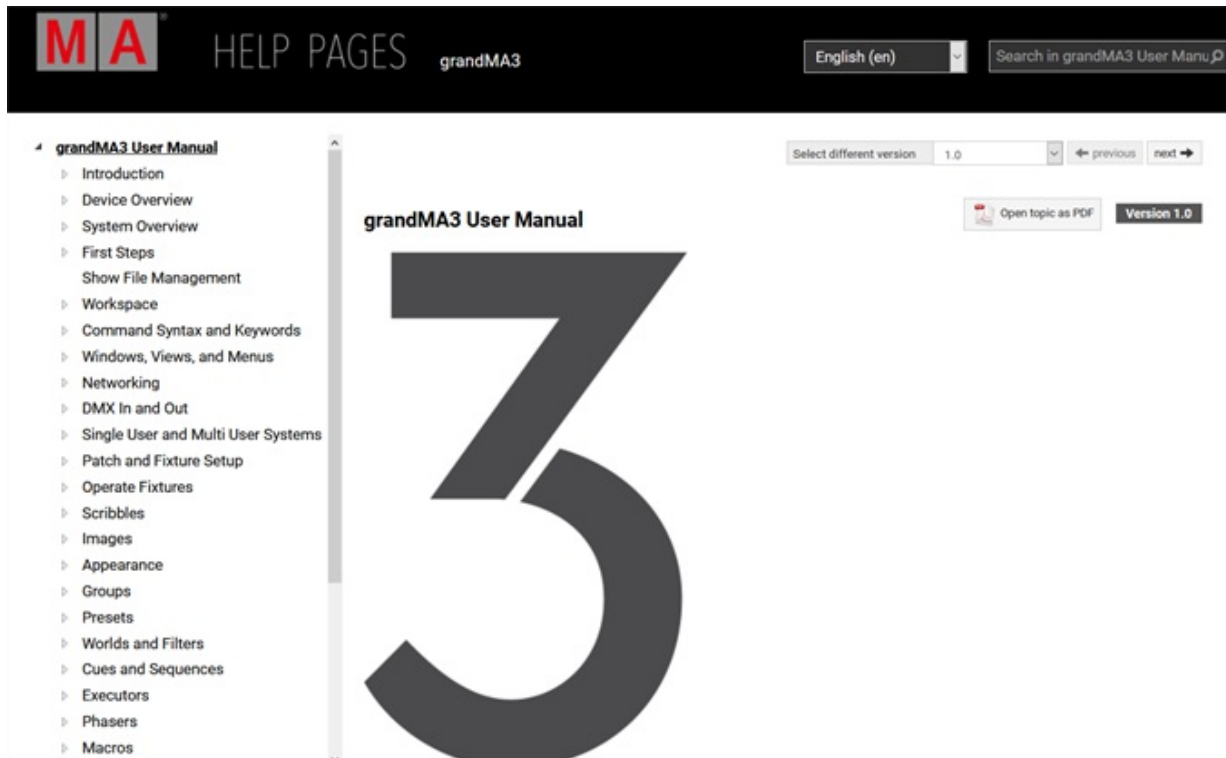

The **online-manuals section** is divided into different **product families**:

grandMA3 series

grandMA2 series

dot2 series

MA Network Switch

grandMA3 User Manual

Every product family (e.g. grandMA3 series) is divided into different **sections**:

[grandMA3 User Manual](#)

[grandMA3 Quick Manual consoles](#)

[grandMA3 Quick Manual nodes](#)

[grandMA3 Quick Manual processing](#)

[grandMA3 Quick Manual onPC solutions](#)

[grandMA3 Quick Manual DIN-Rail](#)

To read the latest version of any topic, click the respective link.

Important:

The complete grandMA3 documentation consists of the grandMA3 User Manual and the respective grandMA3 Quick Manual with technical specifications, safety instructions, and declaration of conformity.

Search Field

The **[online-manuals section](#)** also features a search field.

To find the requested topic, enter one search term into the search field and hit Enter or click the search symbol.

The search results are highlighted with the search term you entered.

Hint:
The search function is language-based.
If you cannot find the search term, change the language to English and search again.

Navigation in the Help

Navigate in:

- 1. Product family - displays a triangle. Tap the triangle to expand the tree structure.
- 2. Tree structure - located on the left of the view.
- 3. Search field - located in the upper right corner of the view.

PDF Files

Every help section is also available as a **complete pdf file** and can be downloaded from the following website:

<https://www.malighting.com/downloads>

The latest version of the help product is always updated with the newest software release.

To download the requested pdf file, click the respective product family and scroll down to **Offline User Manuals + QuickMAnual**.
